Hattie, we always admired
 you greatly because of your
 fine spirit of cooperation,
 your ability to lead, and
 your cheery disposition. These
 things will carry you
 far in life. I know
 you only say that Mavahi's

 gain. The very best of luck to
 you from one who thinks you're
 a mighty sweet girl.

We Dedicate
 Our 1940 MAVAHI
 to

Miss Frances Wells

With the utmost admiration
 and respect for her untiring
 efforts and unlimited patience
 in guiding the Senior Class
 through our final two years,
 and for giving her time unself-
 ishly to the carrying out of our
 work.

A New Era

In education in Martinsville began with the erection of the new high school. We, the first class to graduate from this school, are proud of the foresight of those men who made possible this project. Our sincere hope is that the citizens of our community may appreciate the significance and feel the influence of this new era.

CLASS HISTORY

It was in 1936 that we all enrolled in high school. We were typical of most Freshmen—happy, proud, and a little awed. We were assigned to Mr. Meyer's home room in the basement of the gymnasium. We stayed there until the next semester when we were moved to the main building. We were divided into three groups, one group going to Miss Walker's home room; one group going to Mr. Staple's; another to Miss Wray's. As Sophomores Miss Walker was our sponsor. Miss Walker married in '38, and Miss Shackleton became our sponsor. In 1939 the three home rooms organized and became one class. We elected Miss Wells to sponsor us and at the same time elected our class officers. Leon Newman was elected President; Mary Holt Whittle, Vice-President; Jane Ford, Secretary; Sallie Ann Price, Treasurer. In order to raise some money we sponsored a picture at the Rives Theatre.

Now, after spending four years in preparation, we are graduating. Today, four years later, we are typical of most Seniors—still happy, still proud, and a little sad. We wait now for what lies ahead, beyond our school life. To those, of other classes that we leave behind, we wish many happy and fruitful school days. To the members of the faculty we extend our grateful thanks for their help in our high school education. To the carefree school days we bid a reluctant farewell. Armed with our youth we greet our uncertain futures with an expectant hello.

—ROBERT BEELER.

1/4 altho Honey - I hope this is not good bye & I
don't believe it is cause I know I am going to
want to see you awfully lat in the future

Honest I think you have been perfectly
sweet to me & I will put it in writing
as well as tell you - & that is I love you only
& anyone that reads this or knows you I am
sure they will understand why I love you
so much - & I do mean much - sometimes we
have had a little fuss & we thought it was
awful important at the time - But now we
realize I hope that it was all foolish - so
now that time has come to pass for awhile
maybe we will & can understand one another
a little better - for I sure do hope so.
Lots of luck to a mighty sweet girl. -

Bill Hermann.

ATHLETICS

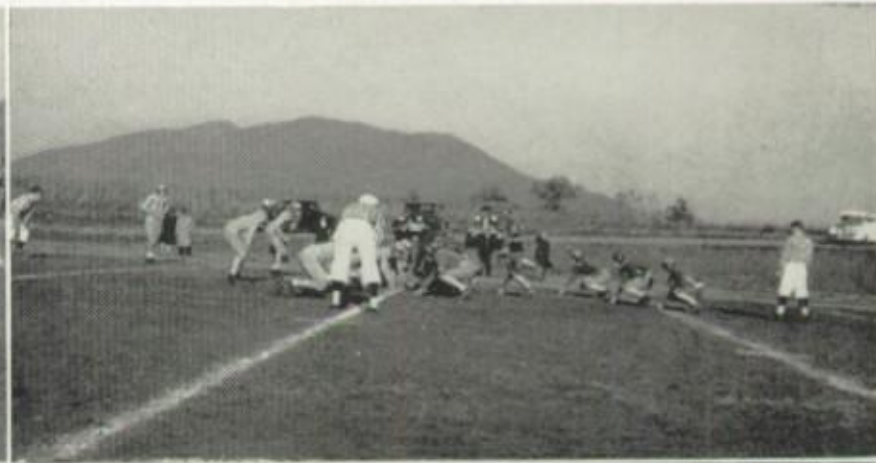

COACH WIEBEL

FOOT

September 7 found MAVAHI's young football hopefuls enduring their first day of practice for the 1939-40 season. Nine letter-men were back for service and with the new material and new assistant coach, Mr. Smithson Morris, all aspects for the coming season were favorable. Those lettermen who reported back for practice were Richardson, Whittle, Alcorn, Draper, Morgan, Newman, Katsifos, Hermann and Pinkard. Lanky Pete Alcorn was elected

captain of the squad and proved himself worthy of the position, playing an excellent season at End position. Big Bob Draper deserves our applause and attention for completing two consecutive seasons without missing a minute of play. Hermann showed himself to be quite the fair-haired lad by being high-scorer of the season. Elmo Miles was second only to Hermann in the scoring division. Freddie Cross was the passing star of the season and accounted for many first downs.

The boys on the line, who so often go unhailed, are deserving of our unlimited recognition and applause. To all the boys, on the bench, on the line, and in the back-field, go the student body's grateful thanks for maintaining the high standards of courage and sportsmanship that has always been linked with MAVAHI's athletic activities.

BALL

The first game of the 1939-40 season was held under the floodlights of English Field. Martinsville was defeated by strong Pulaski by a score of 6-0. There was a record crowd of 1,400 attending.

The Bull Dogs next journeyed to Galax only to come out on the short end of the 13-6 score.

Bad luck again trailed the local boys, this time to Wytheville. Wytheville's larger team outplayed our boys to the extent of a 14-6 score.

The undaunted Bull Dogs next met the Narrows High team. Although we lost again, the boys went down fighting, holding the much heavier visitors to a 14-0 score.

The local boys next showed true Bull Dog tenacity by gaining six points and holding the Radford team to only two points.

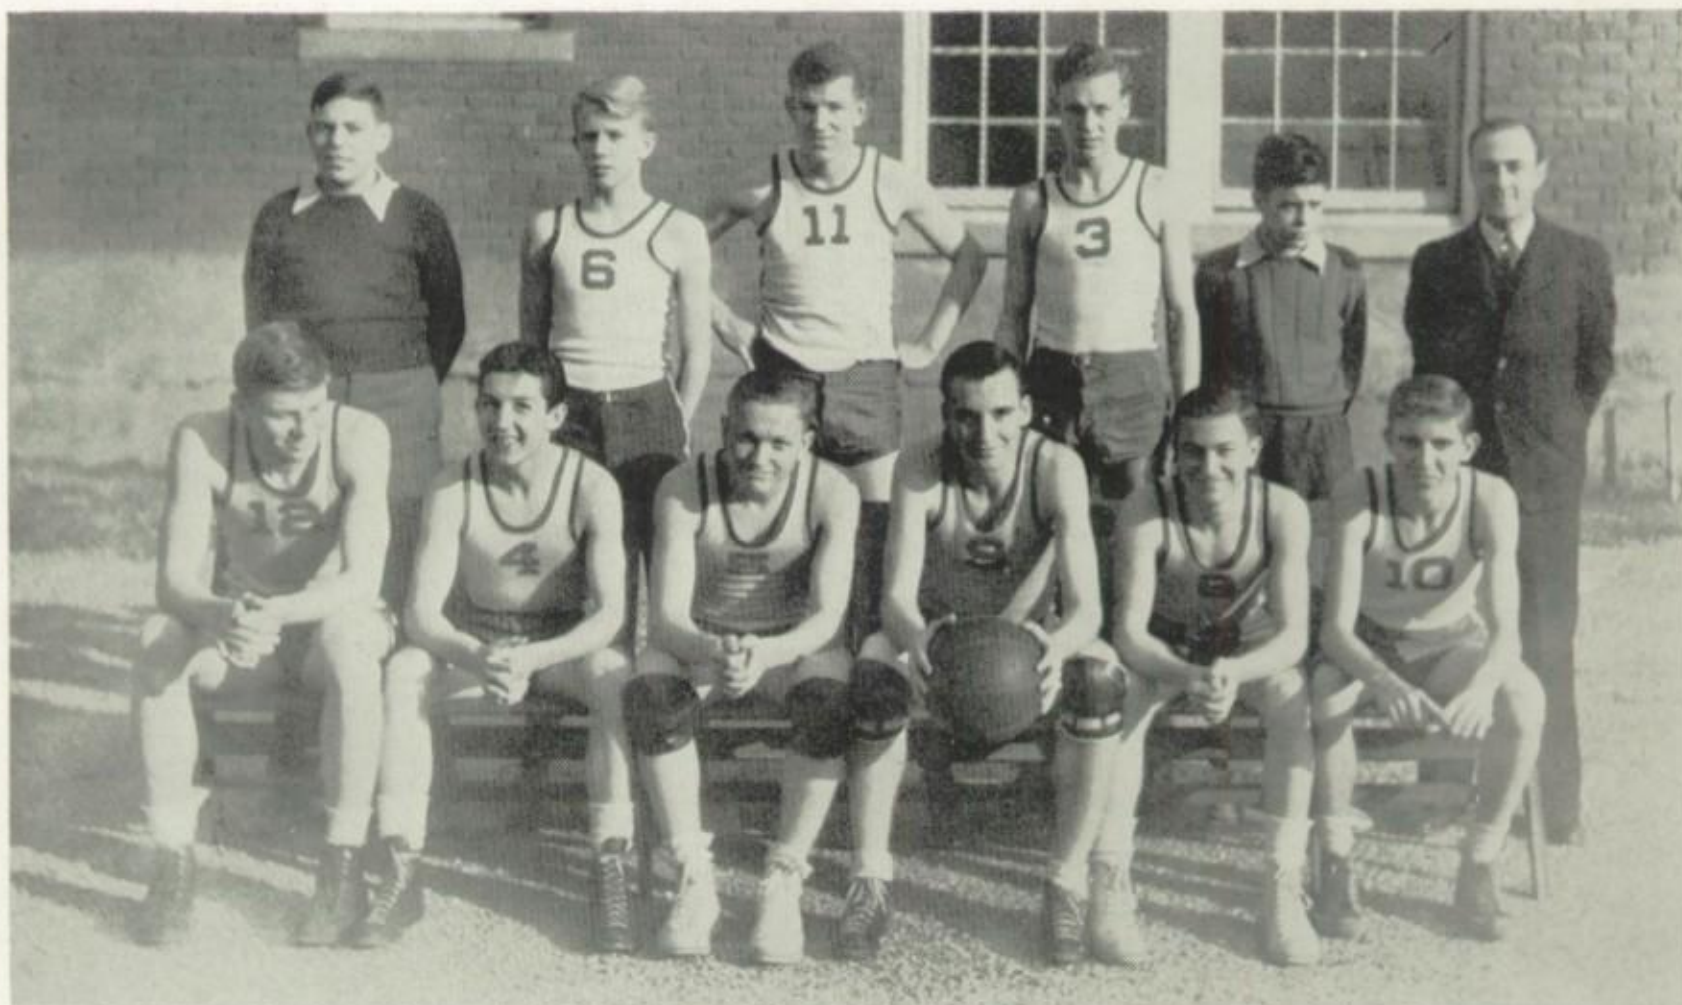

The first victory of the season against Radford the previous week inspired the team to completely shut-out William Fleming, winning the game by a 7-0 score.

In the last game of the season we again met bitter defeat at the hands of Vinton. The visitor's passing attack tallied all of 37 points. Their defense held us to 6 points.

COACH MORRIS

BOYS' BASKETBALL

Coach	GEORGE C. WIEBEL
Captain	BILL SLAYDON
Manager	FRANK DUDLEY

The M. H. S. Bull Dogs started the season with three returning letter-men, Bill Slaydon, Curtis Givens, and Fred Cross. With some promising reserves, Coach Wiebel worked the three returning letter-men and two of the reserves into a good basketball team. Slaydon was elected Captain. The first string consisted of Captain Slaydon and Givens as forwards, Mitchell and Cross as guards, and Alcorn as center. Beeler and Miles were the regular reserves. The Bull Dogs won eight games and lost six.

In the District Tournament held at Marion, Virginia, the Bull Dogs beat Saltville, the only undefeated team in the tournament. They lost out in the Semi-finals to Tazewell. Captain Slaydon was named forward on the all-tournament team.

Stars were awarded to Slaydon, Givens, and Cross. Letters were awarded to Mitchell, Alcorn, and Miles. Next year's team should be good, with returning players Givens, Cross, Mitchell and Alcorn. Slaydon will be missed, as he proved to be a good leader as well as a good player.

GIRLS' BASKETBALL

Coach	GEORGE C. WIEBEL
Captain	SHERLIE THOMAS
Manager	KATHERINE BERLIN

The M. H. S. girls' basketball team was called to practice with many experienced players. Returning from last year were Thomas, Alexander, Harding, Draper, Burkett, Overton, Lovell, Schilbe, Hodnett, Clarke. They elected Sherlie Thomas, Captain for the year and out of 8 games, M. H. S. won 3, lost 4, tied 1. This was the best season the girls have experienced in several years. Due to a new ruling in M. H. S.'s Athletic Association only Senior girls may receive letters and only those who have played several years as regulars. This year's letters were awarded to Sherlie Thomas and Doris Lovell.

One of the nice things of the year for me has been knowing you better. I've enjoyed having you in class, going places with you, and all the other fun, but I really think that most of all I've enjoyed just talking to you.

You are very loyal to your school, your home, your friends, and your own beliefs, and I admire you for it.

I'll always want to know where you are and how you're getting along. I hope you'll like school next year. Whatever else, best wishes for a happy, useful life.
Brenda Boyd

Hollie, honey how are you today, well I know because I never have seen you in the dumps so to speak. Hollie you were so nice to carry me home so much from the senior play, I feel mean for making you but I enjoyed it very, very much. I hope I see lots and lots of you in the future because you are a dear friend and I really mean it from the bottom of my heart. We had lots of fun in our senior year didn't we (at least I did) Please remember me as one of your many admirers

Holtie;

I think you are so nice, I just loved
being in the play with you, you made a swell
mother and I bet you really do. Holtie it has
been really great fun going to school with you
and I think I can look forward to the days
when I can truly say with pride that I
went to school with you. Holtie if you
just stay as sweet and nice as you are
I am sure that you shall get anything you
want.

friend, your son (remember) Dewey Roberts
